UNDP will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals. 27.2 Evaluation of proposals is made of the following steps: - Preliminary Examination - Minimum Eligibility and Qualification (if pre-qualification is not done) - Evaluation of Technical Proposals - Evaluation of Financial Proposals
28. Preliminary Examination	28.1 UNDP shall examine the Proposals to determine whether they are complete with respect to minimum documentary requirements, whether the documents have been properly signed, and whether the Proposals are generally in order, among other indicators that may be used at this stage. Evaluation of Technical and Financial Proposals	30.1 The evaluation team shall review and evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and other RFP documents, applying the evaluation criteria, sub-criteria, and point system specified in the Section 4 (Evaluation Criteria). A Proposal shall be rendered non-responsive at the technical evaluation stage if it fails to achieve the minimum technical score indicated in the BDS. When necessary and if stated in the BDS, UNDP may invite technically responsive bidders for a presentation related to their technical proposals. The conditions for the presentation shall be provided in the bid document where required. 30.2 In the second stage, only the Financial Proposals of those Bidders who achieve the minimum technical score will be opened for evaluation. The Financial Proposals corresponding to Technical Proposals that were rendered non-responsive shall remain unopened, and, in the case of manual submission, be returned to the Bidder unopened. For emailed Proposals and e-tendering submissions, UNDP will not request for the password of the Financial Proposals of bidders whose Technical Proposal were found not responsive. 30.3 The evaluation method that applies for this RFP shall be the lowest priced method which selects the lowest evaluated financial proposal of the technically responsive Bidders with a technical score no less than 700 points (70%) out of a total of 1000 points. 30.4 When the BDS specifies a combined scoring method, the formula for the rating of the Proposals will be as follows: <u>Rating the Technical Proposal (TP):</u> TP Rating = (Total Score Obtained by the Offer / Max. A substantially responsive Proposal is one that conforms to all the terms, conditions, TOR and other requirements of the RFP without material deviation, reservation, or omission. 33.2 If a Proposal is not substantially responsive, it shall be rejected by UNDP and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation, or omission.
34. Nonconformities, Reparable Errors and Omissions	34.1 Provided that a Proposal is substantially responsive, UNDP may waive any non-conformities or omissions in the Proposal that, in the opinion of UNDP, do not constitute a material deviation. 34.2 UNDP may request the Bidder to submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Proposal related to documentation requirements. Such omission shall not be related to any aspect of the price of the Proposal. Failure of the Bidder to comply with the request may result in the rejection of its Proposal. 34.3 For Financial Proposal that has been opened, UNDP shall check and correct arithmetical errors as follows: a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of UNDP there is an obvious misplacement of the decimal point in the unit price; in which case the line item total as quoted shall govern and the unit price shall be corrected; b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail. 34.4 If the Bidder does not accept the correction of errors made by UNDP, its Proposal shall be rejected.

Event Management and Logistical Support of a series of UN events

1. Background

Lot 1. UN RECEPTION

The October anniversary of the United Nations is an opportunity to reflect – to look back on the UN’s history and take stock of its enduring achievements. It is also an opportunity to spotlight where the UN – and the international community as a whole – needs to redouble its efforts to meet current and future challenges across the three pillars of its work: peace and security, development, and human rights.

The Republic of Moldova joined the United Nations in 1992. Since then, the United Nations system supports the Republic of Moldova in achieving its major development goals and fulfilling its vision to be a prosperous and modern European country.

Today, over twenty resident and non-resident UN specialised agencies, funds and programmes work in Moldova. To ensure programmatic coherence among different UN entities, the UN in Moldova has adopted the Delivering as One approach, with a common partnership framework which sets out priorities over a 5-year period, one budgetary framework, complementary resource mobilisation and common business practices.

This year marks the 70th anniversary of the Universal Declaration of Human Rights, adopted by the UN on 10 December 1948.

To mark these milestones, the UN in Moldova will organize Millenium Film Festival, during 22-24 October, at Odeon Cinema. The third day of projections shall be followed by a reception at the Philharmonic’s Restaurant. The reception shall be attended by 150 key partners of the UN.

LOT 2. UN HUMAN RIGHTS GALA OF AWARDS
