Subject: Call for Proposals for the Media Content Grant Program on Energy Efficiency and Renewables

Dear Sir/Madam,

The United Nations Development Programme in the Republic of Moldova (UNDP Moldova) hereby announces an Expression of Interest in the framework of the *"Addressing the Impacts of the Energy Crisis in the Republic of Moldova"* Programme that assists the Government of the Republic of Moldova to enhance the country's energy security and resilience in the face of current and future shocks and prompt the energy transition.

Aligned with these aims, UNDP Moldova is extending an invitation to independent media representatives to actively engage in a media grant program focused on creating content on energy efficiency to enhance public awareness of the significance of adopting best practices and energy-saving measures, while also encouraging the utilization of renewable energy sources.

Through a transparent and competitive evaluation process, the program aims to select 5 media projects, with a maximum budget of up to 20,000 USD each.

The Applicant's Guidelines describes the context, the eligible funding areas, the application conditions, the rules and procedures for submitting project proposals, the evaluation and selection criteria.

This Expression of Interest includes the following documents:

1. Invitation letter;
2. Regulations and selection criteria;
3. Funding Application Form (Annex A);
4. Budget (Annex B).

The applications for participation are to be submitted in accordance with the provisions of the Participation Guide until September 27, 2023, at 16:00.

If you require further clarification, please contact the designated contact person indicated in the Selection Regulations.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Daniela Gasparikova', is written over a horizontal line.
