Ref. No. 2025-11-07.01 /UNDP

November 2025

Subject: Call for Expression of Interest for selecting Homeowners Associations (HOA) to benefit from support in developing energy audit reports

Dear Sir/Madam,

The United Nations Development Programme (UNDP) hereby announces an Expression of Interest (EOI) for the selection of Homeowners Associations (HoA) to benefit of support in conducting energy audits for multi-storey residential buildings.

In total, 25 multi-storey residential buildings will be selected to receive support. The supplier for energy audits services will be selected separately through a public competition by UNDP, and the full costs for the services will be covered by United Nations Development Programme and Denmark within Greening the Future project.

The aim is to support HoAs in conducting energy audit, an initial phase in evaluating current energy consumption and identifying optimal solutions for reducing it through the implementation of energy efficiency measures and the use of renewable energy sources. Further, having the energy audit reports, the HoAs could apply to the Residential Energy Efficiency Fund Program (REEFP), managed by the National Center for Sustainable Energy (CNED), to receive support in implementing identified energy efficiency measures.

The best application will be identified based on transparent and competitive selection procedures detailed in the attached Guidelines.

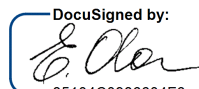

The Expression of Interest includes the following documents:

1. This Expression of Interest (English only)
2. Applicant's Guideline (Romanian)
3. Application Form (Romanian)

Project proposals should be submitted in accordance with provisions stipulated in the Guidelines.

Should you require any further clarifications, kindly communicate with the contact person identified in the attached Guidelines as the focal point for queries on this EOI.

Sincerely,

DocuSigned by:
