RfQ20/02052: A2J/ Provision of Mass Spectral Libraries for the forensic institutions of the Republic of Moldova

Questions and Answers

Please see below the questions received via email and the relevant answers:

Question 1: *Please indicate the beneficiaries of the requested software.*

Answer: The end users of the Mass Spectral Libraries are:

- New license: Wiley Registry of Mass Spectral Data 12th Edition + NIST 20 (2020) Mass Spectral Library – **Centre for Legal Medicine**
- New license: NIST 20 (2020) Mass Spectral Library – **National Centre for Judicial Expertise**
- Upgrade: NIST 20 (2020) Mass Spectral Library – **Forensic and Judicial Expertise Centre of the General Police Inspectorate**

Question 2: *In order to verify the client's data and availability of a valid license, please provide the key product of the software that requires an upgrade, namely NIST 20 (2020) Mass Spectral Library.*

Answer: The end user of the *Upgrade: NIST 20 (2020) Mass Spectral Library* is the Forensic and Judicial Expertise Centre of the General Police Inspectorate. The beneficiary is aware of the existing protocol related to the usage of the NIST Mass Spectral Library and confirms the availability of a valid NIST 17 license.

Question 3: *The manufacturer of MS Libraries offers the software in 2 formats: hard disk and downloadable version. Can you please inform us which format is required?*

Answer: Both formats are acceptable. The bidder may provide a quotation for the software either in hard disk or a secure downloadable link version.
