Procurement of IT Equipment on Long Term Agreement basis

A. Background and Objective

In order to support its projects and partners operations, as well as its own needs, UNDP Moldova is procuring fairly large quantities of IT equipment (desktop computers, notebooks, monitors, UPSs) and is exploring the possibility of engaging multiple suppliers on a recurrent basis, as needs arise, in order to ensure best value for UNDP and access to most current technology. UNDP Moldova envisages entering into a Long-Term Agreement (LTA) with multiple qualified suppliers of IT equipment to cover the needs of the UNDP Moldova office in Chisinau and its various funded Projects in Chisinau and other regions of Moldova, as well as of the Offices of other UN Agencies, such as UN Women, UNFPA, UNODC, FAO, OHCHR, ILO, WHO and others. UNDP Moldova shall enter into agreement with the successful bidders for an initial period of one (1) year with the option to extend for additional two (2) years, subject to a satisfactory performance, and shall place orders on a recurrent basis, as needs arise.

IT equipment, as referred to in this document, shall apply to the items listed below in the Technical Specifications sub-section.

The main objective of this ITB is to establish reliable sources of supply of the listed IT equipment items, which comply with required quality standards, while achieving best value for money. UNDP Moldova will award the LTA to minimum two and maximum three technically qualified and responsive bidders, which quoted the lowest price.

The volume and value of IT equipment purchases, envisaged by UNDP Moldova during the period of the LTA, are provided in the table below, with a total amount of orders expected to reach approximately 900,000.00 US Dollars over the period of three years. The amounts indicated below are based on historical volume of transactions of UNDP Moldova during the last three years.

Estimated amounts:

The successful bidders shall neither be allowed to impose such a guarantee of volume from the UNDP Moldova at any time before or during the life of the LTA. All figures indicated in the table above are estimations of required volumes, based on historical volume of transactions of the UNDP Moldova, and are not to be taken as a guarantee of business transactions from the UNDP Moldova.

Every LTA holder shall be requested to submit a quotation as per requirements of each individual order. These requests for quotation shall not be public and shall be sent directly to the LTA holders. Each request for quotation shall contain generic specifications and shall not make reference to any specific brand of equipment, unless there has been a previous determination or there is a need for standardization.
